WELCOME!

The *Lake Country Chorus* welcomes you to our performance of past Broadway Tony award-winning songs dating from the 1940's to the present. We are delighted to be back for the second time performing in Festival Hall.

We are also excited to welcome Cathy (Cat) Williamson to our Lake Country Chorus family. This is Cat's debut performance as our director.

Cathy received her BA in Music Education from Brewton Parker College and her master's in special education through Waldon University. She began teaching elementary music in 1988 and has been a church music director leading adult choirs as well as directing children's musicals since her college days.

Together with her husband, Cathy has been leading worship music for over 25 years and they are well known and respected in our community playing secular music at venues throughout the area. She is currently the chorus director and kindergarten music teacher at Lake Oconee Academy and was the assistant director of LOA's state award-winning theater group.

Although she has had many proud musical production moments, her most recent was with the LOA chorus performing the National Anthem before a sold out UGA men's basketball game – a three part acapella arrangement no less! In addition, she shares her love of theater, dance, and music with elementary students by working through ATLAS Ministry via OPAS (Oconee Performing Arts Society).

Cathy and her husband, Bob, reside in Del Webb. When they aren't performing together, they enjoy spending time with their children, grandchildren, and their dog, Charlie.
