Dear Friends and Rock 'n' Roll Fans,

Tonight, we invite you to kick back, sing along, and let the good times *roll* as we take you on a musical journey through the heart-pounding, foot-tapping, soul-stirring world of rock and roll!

From the early days of Elvis and Chuck Berry to the anthems of the '80s and beyond, rock music has always had a way of bringing people together — in dance halls, on road trips, around jukeboxes, and now, right here in our own community. It's music that gets inside you, makes you move, and reminds you how good it feels to just *let go*.

Putting this show together has been an absolute blast. Our singers have embraced everything from doo-wop to power ballads with heart and humor, and they've brought an incredible spirit to each rehearsal. This music demands energy, attitude, and a whole lot of fun — and trust me, this group has delivered all that and more.

This concert isn't just a performance — it's a celebration of music that shaped generations, inspired revolutions, and still gets stuck in our heads decades later. We hope you'll clap, sing along, and maybe even dance in your seat. After all, when the beat is good and the harmonies hit just right, it's hard not to.

Thank you for supporting community music, for cheering us on, and for being part of this rockin' night with us. Let's turn up the volume and let the good times roll!

With rhythm and gratitude,

Cathy Williamson

Director, Lake Country Chorus
